Dear Lombard Business Community,

Becoming Members of the Lombard Chamber of Commerce has been a truly rewarding experience and has helped us establish a presence in the local business community. Both Yvonne and Georgette have been wonderful and made us feel welcome from our first meeting on. If you ask them how to best use the Chamber to benefit your business, they will go above and beyond to introduce you to other members at events or refer you to other Lombard Chamber Members that they feel would result in a productive business relationship. The Lombard Chamber, while one of the smaller Chambers that we have joined, has by far provided the best return on our investment. There is a strong willingness and desire for the Lombard Chamber Members to help each other more so than many other networking events and communities that we've been a part of. We feel that Yvonne is responsible for establishing this sense of community and for organizing wonderful events that provide a great atmosphere perfect for networking and meeting your neighbors.

We highly encourage anyone contemplating joining the Lombard Chamber to do so without hesitation. We encourage you to attend the networking events and ask the Lombard Chamber staff if they need assistance with any upcoming events, volunteer opportunities or committee opportunities. Please, join us at any upcoming networking event and say hi to any staff member of Premier! We'd be happy to find out how we can do business together and make you feel at home with the Lombard Chamber.

Sincerely,

Angela Ross
Executive Vice President
